Subject: FW: CBC Montreal Request

Good morning ladies,

For your information. We are preparing a heads-up.

Thank you,

Stéfanie

Subject: CBC Montreal Request

Hello,

My name is Annie Deir, I work for CBC Montreal.

We are hoping to get some information on the new buy and sell program.

There is a coop of seamstresses looking to set up a network to help sew scrubs, uniforms and other necessities for health professionals.

Are there any specific guidelines they need to follow?

Will the garments they produce actually be used at hospitals?

What about the risk of contamination?

Also, I believe they are looking into sewing disposable masks... who do they go about doing that?

More Info:

<https://ici.radio-canada.ca/nouvelle/1681682/couturieres-couture-quebec-coronavirus-covid-masques-blouses>

Thank you kindly,

Annie
