Public Safety would have more on this that we would also. Anyway, let's see what happens.

Yes coming from DMO... I will give them a heads up and see where this leads but I think AB would definitely have more on this than us....

I will keep you informed and give Carole from DMO a call to see if she knows more.

Thanks

Jeff

Is this coming from DMO? I'm not sure what exactly is the expectation. That said, Claude and Catherine should be on standby for this. But it must first have come from DMO.

Johanne

Heads up that we may be asked to brief minister on this.

The Minister would like to have a security briefing on vaccines. The NYT is reporting on some of the espionage-related activities concerning vaccines and she would like to better understand.

Who would you like to be with you?

Who would you need to meet with prior?

Not sure exactly where we fit in with espionage..... clearances ? Fraud? Sure but espionage I am not sure.

Thanks

Jeff

Hi David,

I believe we have been offering this briefing up, but that it has been difficult to schedule.

We can follow up/discuss tomorrow.

Thanks,
Jody
