Louise rightfully pointed out that I meant interprovincial travel restrictions, not TRADE! Apologies.

Subject: FMM call - agenda and timing

Hi,

I know we were looking at 5 to 7pm window tomorrow, ON has asked for 5:30 to 7:30pm if possible. Is this possible on your end?

In terms of an agenda, I suggest:

1. Update on federal measures (high level, key items PM wants to discuss in greater detail
2. PPE
3. Interprovincial Trade measures
4. Emergency Act
5. Roundtable
