Subject: PPE for Economic Restart - political only call tomorrow

Hi Everyone,

As you know, Minister Bains will bring a deck to COVID Committee next week on PPE for restarting the economy. Knowing that many have already seen the deck directly, we would like to share recent changes and ensure further alignment on the objectives of the presentation as well as supply/demand estimates.

We are proposing a short political discussion tomorrow afternoon. The deck will be circulated in advance. **Would 1:30pm work for folks?**

Many thanks,

Celine V. Caira
