Subject: Procurement Call - April 27 Summary

Hello – please see below:

New orders:

- Shipment of three ventilators from Thornhill has arrived
- Purchased an additional 1 million N95 masks
- 25k thermometers have arrived
- 2 LOIs for gowns – one for 100k another one for just under 12 million
- Finalized another contract for 500k+ additional face shields

Flights:

- Upcoming weekend in Shanghai is a long weekend
 - o Broker is having difficulty arranging flights in this context
- May give a contract to UPS to fill our Cargo Flights over the weekend so we can continue to maintain one flight coming out of China per day
- Numbers of supplies in the warehouse are getting pretty high – mostly masks & gowns are in there
 - o Priority is to get gowns out asap
- Two Buy & Sells will be posted tmrw related to logistics support

FAC update:

- Bauer face shields – we started receiving face these shields on Friday and we received more today
 - o Three shipments from Bauer totaling 79k face shields and one shipment from Toronto Stamp with 34,800 – will be ready to ship soon
- Of the 1.9M KN95s that didn't meet the efficiency tests – 1.8M of 1.9M will be given to CSC
 - o These are mainly KN87s & 75s
- **Ontario RFA:** We were able to provide 10k N95s, 26k KN95s, 100k+ surgical masks & 10k gowns
 - o ON was very collaborative about this
- ON asked for 500k units of swabs and reagents – request came in on Saturday – we had shipped them 80k swabs on Friday – working on the rest
- **Follow up:** PM has a call with Premier Ford tmrw – officials to provide a summary to Matt prior to the call with this information + other details

ISED update:

- Three of the four LOIs are drafted up re test kits

PM comms for tmrw:

- Bauer & Toronto Stamp face shields to be delivered
- priMED surgical mask deliveries this week
