Does this match what you guys are seeing?

We have 3 planes in the next number of days and more next week, but there will only be 2M N95?

Seems a bit off to me.

Status of PPE and Ventilator Orders and Deliveries as of April 10, 2020

Product	QTY Ordered	Increase since last report	QTY Received	Increase since last report	QTY Outstanding	Increase since last report	QTY Expected to be Delivered Over the Next Week ¹	Deliveries to PTs ²
