**Subject:** Procurement Call - May 14

Hi team,

Not a very long call tonight. Here are some notes:

- **Have been some challenges securing original fabric** for some domestic producers of gowns
  - o Officials continue to work w them to try and get them up and going and using replacements
- RFP is out for some more cloth masks
  - o Continuing to get some interest in demand for cloth / non-medical masks
- **West Jet** is now able to fly into China for PPE flights (landing permit, licenses etc. have been approved)
- May be some plane space to accommodate **Ontario's RFA re: getting PPE out of China**
- Officials confirmed that the **160k 3M N95s masks arrived in Ottawa** from the U.S.
  - o Hope is for the masks to be shipped directly to P/Ts tomorrow
- Items received at the NESS today:
  - o **14.97m pri-MED surgical masks**
  - o 1.5m vinyl gloves
  - o 300k swabs
  - o 34k gowns
  - o 450k face shields
- Items shipped from the NESS today:
  - o 99k swabs
  - o 60k coveralls from pri-MED

Two follow up items:

- 1) GM contract in its final stages
  - o If signed, they're planning to start production on Tues.
  - o **GM is already training with Unifor members on the line**
- 2) Discussion on needles & syringes to take place on one of the next calls

Thanks!  
Sabrina
