Subject: Outreach from Mayor of Windsor

Hey Matt –

Mayor Dilken's office reached out tonight for a call between the Mayor and the Prime Minister to discuss cross-border health care workers. There seems to be an emerging call, in the face of 3M, for Windsor to stop sending healthcare workers to Michigan and the Mayor would like to discuss it with the PM before it grows too large.

It can be a brief call and their office did not specify a date or time. I strongly recommend we find some time for the call.

Thanks,

j.
