Subject: RE: PPE delivery to BC

Thanks everyone! I have been in contact with Sue and her team, so I will flag to Leslie and see if we should connect her to an ADM who can support.

They need to flow through the province for support and the province can connect with pspc.

We shouldn't deal with individual health authorities.

If we want to give sue some concierge service because she's in the supercluster. Pspc could help but I imagine they're slammed.
