Perfect! Can we include that in the response? Adding Elliott.

Also, out of curiosity - what are you saying in your OPQ response on PPE procurement that all departments got?

Subject: PHAC Procurement

Hey Sabrina, looping back on procurement for the NESS, for smaller purchases and when products are available for purchase through standing offers, PHAC does its own procurement.

However, if a contract exceeds the limits of PHAC authorities or requires a Request for Proposal, or if an Advance Contract Award Notice is required, PHAC engages PSPC to contract on our behalf.
