1) Bollore's charter Boeing 747– company called Airbridge – Russian owned btw. Leaving Shanghai Sunday arriving Toronto Monday morning – times to be confirmed.

Departure of CargoJet fm Vancouver booked for Tue evening back to Hamilton Thursday – Boeing 767. May delay it if the long weekend has resulted in little supplies in warehouse by Tue morning here (Tuesday night in Shanghai). If deliveries pick up, we have Air Canada charters on stand by also and looking at other options

2) Yes – 8M surgical masks

3) Yes, there are items for Quebec. We did offer extra capacity to them around a week ago.

Hi Team,

A couple things to confirm:

- 1) Which airline is doing the trip tomorrow? Cargojet and departure is in the next two days?
- 2) Is it 8 million surgicals?
- 3) Did we confirm that there are items on the plane for a province? Quebec? I don't think we get into details of what that is.

Thanks!

Matt
