Thanks Astrid.

Adding Sabrina from issues who is helping me manage the procurement fun. We're looking to get you numbers on plane arrivals over the weekend and contents. Here is our current understanding:

- 3 cargo flights from Cargojet and Air Canada, plus one Air Canada flight exclusively for the province of Quebec

Sabrina – can you work to figure out what's on board and we're comfortable saying tomorrow? I know there are significant amounts of N95 masks.

Thanks,

Matt
