**Importance:** High

Good afternoon,

Please find attached for your approval, the **COVID-19 web page June 25 update**.

Following DM's approval, it was requested that we flag the following sentence to make sure you are comfortable with it. DM suggested having a quick discussion if required: **\*A portion of these masks are being directed to organizations outside the health system based on requirements and preferences of front-line health care providers.**

As discussed, we are looking into sea shipments of hand sanitizer that arrived recently. We may send a revised version with the final number.
