Hi Dean,

Thank you for showing interest in providing services and products related to the COVID-19 pandemic. In addition to leveraging existing sources of supply, PSPC is now proactively engaging industry to help meet Canada's needs. Tim Logan from Industry, Science and Innovation is also copied on this email.

Many of us are receiving information from potential suppliers or individuals with helpful information on the COVID-19 response. I invite you to this website: <https://buyandsell.gc.ca/calling-all-suppliers-help-canada-combat-covid-19>. As this website will continue to be updated, I encourage you to check back for new information that may be posted.

I have informed my team in Minister Anand's office of your proactive reach out.

Please do not hesitate to follow up with any questions, or share any relevant information that I can include in while tracking procurements.

Subject: Solution Proposal: Secure Essential Product Delivery Service (No Human Contact)

Dear Sir/Madam,

We can provide Immediate Essential Service Product delivery without Human Interaction.

We represent the 2 largest providers of **automatic vending machines** in Manitoba.

Our 700+ machines are located in: **Public buildings, Government offices, Police stations, Hospitals, Schools & private businesses** throughout **Manitoba**.

Our machines accept Cash, Credit Debit as well as **Re-loadable "Gift Cards"** & are **Remotely monitored** for stock levels.

Our Solution:

We can cost effectively transform these machines to supply **Essential Products** such as:

- Masks
- Hand Sanitizers
- Gloves
- Medical supplies
- Nutrient drinks/supplies
- Water
- Vitamins

To Service:

- Essential Workers
- Medical Staff
- Front line workers
- Indigenous/Metis
- Public
- Government Employees

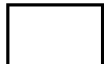

We are ready to mobilize and make these machines available for the government during this crisis.
