Hello again Chelsea,

The form has been completed online and the reference number for the submission #64328.

There was one issue though, the form asks for quantities, but just one number entry. Our quantity is per week; delivered.

For example, we can supply 50,000 N95 masks per week and
2-3 million surgical masks per week.

I made a note of this in the box which asks for "...additional certifications or licenses..."

Please advise if there is a better way to advise them of these quantities.

Many thanks and best regards,
Mary-Anne
