Subject: Medical Manufacturer - Hantech Medical

Hello Anita,

I trust you are well, my name is Karena Ye, I found your contact info through the government website. I am BC Canada Residence, work for Hantech Medical, which is a medical device research and development and manufacturing company, that located in China, our existing clients are worldwide, we were awarded with " Partnership Supplier " Recognition Award 2017 of BD medical. I am seeking an opportunity to see if we have a chance to work with the Canadian government.

Our company website: <http://en.hantechmedical.com/> Our Product Including:

- Balloon Catheter
- Disposable Medical Parts
- Customized Manufacturing Solutions
- Face Mask

I have attached our Company Brochure here for your review as well, I know your name from news, if you still sourcing for mask supply, please give me a chance to show you some samples.

Thank you and have a good day.

Karena
