**Subject:** RE: FOR MO APPROVAL: COVID-19 web page June 25 update

Good evening,

Just closing the loop, but I believe you spoke with Bryan a short while ago and he explained that we don't have the numbers readily available.

Thank you,

France

Thank you.

Can we also see, for internal discussions, what the numbers for the middle column would be this week (items shipped)?

Thanks,  
James

Good afternoon,

Please find attached for your approval, the **COVID-19 web page June 25 update**.

Following DM's approval, it was requested that we flag the following sentence to make sure you are comfortable with it. DM suggested having a quick discussion if required: **\*A portion of these masks are being directed to organizations outside the health system based on requirements and preferences of front-line health care providers.**

As discussed, we are looking into sea shipments of hand sanitizer that arrived recently. We may send a revised version with the final number.

**PRODUCT FOR APPROVAL**

Web update document (new information highlighted)

**FOR REFERENCE**

A summary of changes in the web table:

For reference, last week's update document:

**TIMELINE:** As soon as possible

**CONTEXT:** This week's update of the *Supplying the Canadian healthcare sector in response to COVID-19* web page includes updated quantities ordered and received values for PPE supplies. One new company SpiritRx is also being added to the 'Working with Canadian companies' section.

Thank you,

Marilyne
