Thanks again for the chat on Friday.

Please find attached information from POLYMED who would like to assist the government in obtaining the necessary medical gloves, gowns and masks.

Please feel free to share this information with others in Minister Anand's office or PPSC who are working to secure critical materials. I have also sent this info to Minister Bains' office.

I am adding Robert Zed to this email message and you can reach out directly to him at robertzed@zed.ca for any required follow-up.
