Hello Anita,

Hope your well. The purpose of this email is to see if there were any opportunities to assist with PPE Supply. I'm able to offer substantial cost savings on items like shoe covers, face masks, rags, absorbents, teller barriers, wipes, standard PPE items and industrial products like cleaners/degreasers. We distribute for 3M, MSA, DBI and many other high quality brands. Please feel free to look over the link below. There are a number of Covid related items that are not on my link but we have stock to help assist with the current shortages and have the appropriate certs in place. I look forward to hearing from you soon.
