Subject: Help us protect the Canadian people! COVID 19 protection supplies

Hi Omar,

I hope you are doing well and staying safe during such uncertain times!

I was referred to you through Shawn Crewson on LinkedIn and was made aware of a lack of Covid-19 protection supplies in Ontario, Canada.

You are not alone, and I want to do everything I can to help solve this crisis. So many hospitals are turning away patients due to limited supplies, and we can help. We have supplies ready to be shipped from the UK. I have attached a brochure of all the products we have, and we are working night and day to meet global demand.

I have also cc'd the CEO of Sarkar Tactical, Sam Sarkar, to this email. If there's anything we can do to help the Ontario government, you can reach out to him directly, and please know that we are ready and very well prepared.

Kind Regards,
Shanzaib Malik
