Hi Boyan,

There was a QP card on Indigenous Procurement prepared and sent this morning. Could you please confirm that this is in addition to this QP card?

Thanks,

David --

Could you please request that the Department prepare a synthesis of existing and planned initiatives to procure supplies in response to the COVID crisis from Indigenous businesses? This is required for QP prep tomorrow morning.

Please include:

- Names of suppliers if they are already public
- Products which have been procured from Indigenous businesses
- Description of how such suppliers would be involved in future procurements (e.g., yesterday Arianne mentioned that PB is considering an Indigenous stream for the upcoming face shields and disposable face mask RFPs)
- Any other relevant information.

Elliott, Tristan – please add any further context or guidelines.

Thanks,
Boyan
