Dear Minister Anand

Mr. Bestwick is a former Nanaimo City Councillor and someone whom I trust. He is on the board of a company that has re-tooled it's operation in China and is creating millions of N95 masks and selling them into the American market. We have an extreme shortage in Canada including in our community and he wants to help. He has reached out to BuyandSell.gc.ca and can't figure out how to get the company listed.

His daughter is a nurse at the Nanaimo Regional General Hospital and they don't have enough safety equipment there. I know this is a similar story across Canada.

Can you please reach out to him or have someone in your department reach out to him at 250 713 6876.

Thanks you so much for your attention to this matter.

Sincerely
Paul Manly

Thank you Paul

How do we get listed as a company with PPE's available.

I did send a message to buy and sell several days ago.

Your time and direction is greatly appreciated.

We can help immediately

Bill

Hi Bill

I just asked about this on the daily technical briefing and they gave links for businesses and organizations that have medical supplies available.

<https://buyandsell.gc.ca/>

This one is specific to Canadian manufacturers

<https://www.canada.ca/en/services/business/maintaingrowimprovebusiness/manufacturers-needed.html>

I also sent this to Dr. Keenan who runs the Division of Family practice in Nanaimo to try to connect you with local purchasers at VIHA.

Thanks again

All the best

Paul.

Thank you for responding.

There are MOQ's (minimum order quantities) because of the volume of requests.

Province of BC, Health Agencies need to purchase and distribute through a clearinghouse per se.

I am exhausted trying to get to a decision maker(s) procurement person(s). There is a massive shortage of N95's in the Province.

We could have had 500,000 N95 Masks here yesterday. Literally.

Your help is greatly appreciated.

Bill

Ps. Our Daughter in Law is. Neo Natal RN at NRGH. She is using PPE's from home.

Thanks Bill

I am going to forward this to the health ministers and to VIHA. Is there a site to order from? Can I make an order to donate at NRGH?
