Subject: Suppliers to Fight COVID-19

Hi Dovejot,

I hope you're doing well and staying safe.

I was speaking with a industrial laundry service provider on the phone earlier today and I'm trying to get some clarification on a few questions they had related to the open call for suppliers to help fight the COVID-19 public health challenge.

To that end, I was wondering if you had time for a short phone call to help me understand the process related to procurement of [products and services requested on the Government of Canada's procurement website](#)?

If you can let me know what works well for your calendar, I'll be happy to join you then.

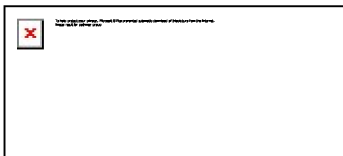

Thanks,

Greg
