Dear

McRae Can offer and handle large volume of sewing & Cutting services for gowns and masks, and in addition we are immediately capable of producing in-house lightweight structures that are easy and fast to set up for the Medical community.

All structures are customizable and can be adapted to any environment.

Please find attached an example of the structures.

McRae is committed to help stop the spread of COVID-19.

We remain at your disposal 24/7

Yours truly,

Robert Murray.
