Attention! Are you a business that can supply products and services in support of Canada's response to COVID-19?

Canada wants to hear from you. Find out more [here](#).

Thank you for your response in support of the Government of Canada's action plan for COVID-19.

Your reference number for your submission is: #39051.

Public Services and Procurement Canada (PSPC) has a dedicated team of procurement specialists who are assessing all responses as they come in.

We are experiencing a high volume of submissions. Our procurement specialists are currently working to assess, categorize and prioritize these submissions against the Government's COVID-19 response needs.

We will contact suppliers who can meet identified requirements as they arise, however this does not mean every company who submitted a response will be contacted by our procurement specialists.

We also recommend you stay informed on the latest procurement

I'm on a call with Minister Ng's office. I won't be dialing in.

I look forward to hearing how it goes.

Thanks!

Thank you Elaine very much and a pleasure and honor to meet everyone on this thread. I have copied WMGR's Tom Beaulieu on this thread whom will assist further.

Hopefully these tests can be utilized to help the wonderful citizens and people of Canada.

Keep up the great work and please stay safe,

Brian
