Fyi for anthony and kelly.

Anthony, do you think you could reach out to get details?

Chelsea do you think you can log outreach in Google doc?

Hello Jonathan,

I have a contact who has N95 masks, Purell, nasal swabs with liquid test tubes, gloves and other supplies at a reasonable price. They currently supply hospitals, police stations, some of my members and others.

If you require their services, I will gladly put them in touch with the person you designate, if it is not you.

Thank you!
