Hello Mr. Laporte,

My name is Christian Venne from Four Seasons Import in Montreal.  
I was referred by Éric Beaulieu from the Office of Minister Pablo Rodriguez.

We are a company that has been importing products mainly from Asia for more than 20 years.  
Working very effectively with our office in Shanghai, China, we recently developed a plan of attack to respond quickly to the COVID-19 crisis by importing very large volumes of masks.  
We have all the necessary certifications and licences to supply the medical network. We currently have a number of clients, mainly long-term care facilities and hospitals.

Could you please contact me to review the possibilities of working with the Government of Canada?

We have inventory available immediately....

Thank you  
Regards,  
Christian Venne
