Subject: RE: CBC media request: More than a million masks

Good morning Cecely,

This is the first time I see this request and haven't heard about it from our colleagues at HC. I can check with them if they received it as well.

Would you like media relations to take on this request or did MO want to lead?

Merci,

Stéfanie

Hi there - just checking in to see if this request came over to us from HC media relations?

Thanks,
Cecely

Good morning,

The Prime Minister just mentioned that more than a million masks arrived at a Hamilton warehouse last night and that people are now working to validate them.

I'm hoping to learn a bit more about these masks, where they came from and what must be done before they can be sent out to healthcare workers.

I'm also wondering if the PMO has any further statement on the importance of these masks during the COVID-19 pandemic.

My deadline is 5 p.m.

Thanks,

Dan Taekema
