Subject: Speaking notes for Tuesday

Hello all,

Attached is a draft of the Minister's speaking notes for Tuesday's news conference.

Dept sent about 850 words – the Min speaks at about 100 words a minute – PMO asked her to keep it to 2mins....

Attached is about 620 words – any suggestions for further cuts, please let me know. Otherwise, please let me know if there is any concern about content.

Thanks!

James
