James/Cecely:

See below. Let us know if there are any tweaks before sending in to PCO.

Thanks,

“Today’s announcement is yet another long-term investment in our domestic supply of personal protective equipment. The ability to produce these highly sought-after respirators right here in Ontario means better access to this vital piece of PPE for our heroes on the front line—now and into the future—and more jobs for Canadians.”

—The Hon. Anita Anand, Minister of Public Services and Procurement
