Hey Heba,

Adding Tyler from PSPC. We would not have anything on this from a Health Canada perspective.

Thanks,  
Gowthaman

Good Morning Dovejot,

I hope your doing well and staying safe. I received an inquiry from a storage company in our riding who was interested in applying for a COVID-program focused on storing medical supplies and personal protective equipment for strategic stockpiling. They are interested in partaking and wanted to know how they can get involved. Could you help me identify whether this has begun and how to navigate the process?

Your assistance is appreciated. Feel free to give me a call at 613-218-7252.

Thank you.
