Hi David,

Can you pass this info along to whomever reached out to Jeevan earlier this week? He's got a new supplier but there's a rush to procure the N95 masks from them.

Thank you!

Chelsea

Hey Chelsea,

Attached are product spec sheets and sample pics for BYD. These are likely to change once they get their NIOSH approval. They have been in the NIOSH approval process for a bit with a couple of setbacks due to procedural issues but they are close to getting it shouldn't be more than 2-3 weeks maybe even less so this is all very time-sensitive. We need to lock in supply with pre-orders to make sure we get the product before it gets sold out. California has already done business with them and has placed an additional billion-dollar order for their N95.

We also onboarded an FDA approved KN95 manufacturer this week and they have some supply available but again these things get filled fast so we need to be fast. This is the supplier:

Fujian Kang Chen Daily Necessities Co., Ltd.	90450, 57793	China
Guangzhou Harley Commodity Company Limited	1-103V KN95	China
Guangzhou Powecom Labor Insurance Supplies Co., LTD	KN95	China
HeIQ Materials AG	HvB-FF2-01	China
Hangzhou San Diang Safety Protection	9420 (FFP2), 9420V (FFP2), 9480 (FFP2), 9480V (FFP2), 9980V (FFP3), 9920V (FFP3)	China

This is all in addition to our other normal vendors.

Best Regards,

Jeevan Singh
