Yes will do. I will just correct to say that it's to 40k tests per month, not 40k devices.

Ladies,

See request below. Given the deadline, do you want to respond?

I am told we wouldn't provide specific numbers...

**Objet:** Urgent media request

Hello,

I sent a request to Health Canada 2.5 hours ago but was only just informed now it should have gone to you. Please see request below.

I am actually past deadline but if you can get an answer to me by 5EST I can get it on air for Global National. Any help you can provide is much appreciated.

Thanks,  
Abigail

**Subject:** Urgent - deadline soon - clarification question on Spartan

Good afternoon,

Dr. Tam said in today's presser the Spartan contract is for 40,000 devices a month.

I understand Ontario has ordered 900,000 tests over the next 12 months, but 250 devices.

**Did Ottawa order a larger number of test kits (swabs, cartridges) from Spartan on top of the 40,000 actual devices, and if so, how many?** I want to make sure I'm comparing apples to apples.

**My deadline is 3PM EST.**

Thanks,  
Abigail
