Carl,

I am also adding my colleague, Madison, to this email chain for her awareness. She is Tim and I's counterpart in Minister Anand's office for Public Services and Procurement. As you have provided your reference number below, she will be able to track and flag your application to her officials.

Madison, Carl and Brad of Sleek Signs in Regina are currently awaiting licensing for face masks and have proactively also applied through the buyandsell portal.

All the best,

Hi Brad,

As discussed, here is the email address for licensing with Health Canada [hc.devicelicensing-homologationinstruments.sc@canada.ca](mailto:hc.devicelicensing-homologationinstruments.sc@canada.ca) for you to send the proposal to.

They will be the right people to ask any of the technical specs questions as well!

All the best and thanks again for all of your work on this!
