Hi Eric and Louise,

This one gets really specific. Looks like she got the number confirmed from PSPC and is looking for more details. Can you work on a response?

Thanks,

**Subject:** Question - CTV News

Hey Cole,

I was hoping you could clarify some figures I've gathered for a PPE procurement story. Emily from Minister Anand's office confirmed these are all accurate, but if you have any more up to date information that'd be a huge help. I also have one specific question – the 157,000,000 is the total tally, with 10,000,000 this week. But are the 1,100,000 in Hamilton, 500,000 from Jack Ma, and 700,000 from government stockpile included in that total? I'm also hoping for a few mores specifics, which I've indicated below.

**MASKS**

157,000,000 secured  
10,000,000 this week  
1,100,000 last night in Hamilton  
500,000 donated from Jack Ma foundation  
700,000 from gov't stockpile  
65,000,000 ordered

**VENTILATORS**

174 are being shipped  
1,570 ordered

**GLOVES/SWABS**

Thousands (would love specifics on this)

**TESTING KITS**

Enough for "millions of Canadians" (would also love specifics here)

Thanks for your help with this!

Cheers,

Rachel
