Hey Yacine,

You should refer them to PSPC via the buy and sell website. They might also need licensing from Health, so adding the dedicated email address we have put together as well.

(l'anglais suit)

Bonjour,

L'amie d'une commettante qui travaille en proche collaboration avec Madame Dhillon est directrice de l'équipe médicale de prévention des épidémies dans la province de Heilongjiang en Chine et aimerait envoyer des masques pour offrir du soutien au Canada.

Nous vous prions de bien vouloir nous indiquer quelle serait la meilleure façon de procéder et ce, de façon rapide et efficace.

Dans l'attente de votre réponse, je vous souhaite une agréable journée.

Hello,

A friend of a constituent who works closely with M.P. Dhillon is Head Chief at the Heilongjiang provincial medical epidemic prevention team and would like to send over masks to support Canada.

We would therefore like to know what would be the best way to go about this matter rapidly and efficiently.

Looking forward for a response from you and wishing you a great day!
