Re: Re: TR: 3ply Thermo-Shield procedure mask

Hello Ms. Myrthil

Have you determined whether the documents are in order? I haven't received your confirmation for the IIR masks

THANK YOU

Re: 3ply Thermo-Shield procedure mask

Hello Bertha,

For the 3ply Thermo-Shield procedure masks.

There is a test for the Type IIR, EN 14683 which is ok.

Lack of PFE (particles filter efficiency) testing which this standard does not evaluate, however for COVID-19 we need to have it to properly distribute the mask according to level of protection.

To be completed, if possible,

Thank you,

Adriana Miclaus
