Ok – we can divide and conquer. Chase do you want to join me on this?

Here's what ended up being the docs for this morning's DM meeting.  
Melissa – I have to be on the VTF call with the Minister, but if you want to attend the DM call, please feel free. If not, can you task someone to do a report back?  
Thanks!

Hi Heather and Kaili,

There is a DM COVID committee call 11-noon (chaired by Dep Clerk). The agenda came out tonight so thought you may be interested to know – covers 1) epi and 2) vaccine strategy and biomanufacturing (docs from ISED).

We're not able to forward the invite or allow extra dial-ins, at PCO's request, but IF you are available and IF you are in the building we will have the line open. DM will need to step out early as FPT DM call starts at 11:30 am.

Belinda: our docs didn't get circulated, looks like they went with the daily epi report from online instead.

Pascale: please print the meeting docs from invite as they weren't available when DM folders were being prepped. Thanks!

Thanks,

Lissa
