Hi Jean-Luc,

Thank you again for your cooperation.

I also highlighted it on FM 93 this weekend and yesterday on Radio-Canada (story to air at a later time).

I'm asking you once again about the medical equipment.

A friend of mine, Dany Gagnon, VP of Chrono Aviation, is willing to pick up 3 million masks and is asking me who to talk to.

I thought of you.

You can reach him at

Dany Gagnon, Vice-President Chrono Aviation [418-529-4444 ext 2](tel:418-529-4444)

dgagnon@chronoaviation.com

Many thanks.

PS: Here is a copy of his message:

Let me just throw an idea out here. I have access to 3 million KN95 masks with my Airbus 340, which is returning next week.

I don't know whether the government is still looking for products or if they have enough? I don't have any contacts, so I'm just throwing it out there if you think anyone is interested.

We're already bringing in several million for a private client but I have an option for another 3 million....
