Subject: RE: Help our country with cyber security during the pandemic

Hi Hongwen,

Thank you for your email to Minister Anand about your company's ability to support Canada's response to COVID-19. If you have already registered on <https://buyandsell.gc.ca/calling-all-suppliers-help-canada-combat-covid-19> then your application and information is in the right hands at PSPC with the Procurement team. You have also received a note back from the Minister, so you are on her radar as well. Once the significant amount of applications are reviewed, officials will respond accordingly and as soon as they are able. Please keep checking back for information on your application.

Best,

Madison Taipalus
