Vincent,

Hope your weekend is off to a good start!

After our conference call yesterday, another of our clients came forward to help the federal government in its fight against the COVID-19 pandemic. In fact, yesterday's press release has mobilized Canadian businesses. A good sign. Our client Roche Diagnostics - Division of Hoffmann-La Roche Limited - in Laval could profile their company's solutions and expertise relating to COVID-19.

We will talk about them again in our next conference call next week.

I am available at any time if you need to discuss this.

Thank you again for your close cooperation.

Have a good weekend.

Marc Desmarais
