Hello MacKinnon,

My friend, I don't want to bother you with this, but here's what I received from the broker, if it's at all useful.

Take care,

**Emmanuel**

Dear Mr. Dubourg:

I have sent you all the specifications with prices guaranteed until April 13, 2020. Since there has been no firm order or letter of intent, the Chinese factory now reserves the right to change the prices (telephone conversation this morning with the factory).

We have obtained a quote for sea shipping costs and are waiting for the cargo plane costs today (we are working with a logistics company).

Given the soaring prices for N95 masks, it is URGENT that decisions be made.

If you wish, I can explain the situation to you in person. (514-588-0216)

Yours sincerely,
